MEMORANDUM FOR THE RECORD

From: Thomas B. Donahue, Jr.

Subject: Funds Missing from Office

I should like to state for the record that I have read and examined the Memorandum for the Record filed today by Mr. Grey regarding developments during the past two months in connection with funds missing from this office and related subjects. Various parts of the report are based upon draft chronological notes which I prepared for Mr. Grey.

As to those matters contained in the Memorandum of which I have personal knowledge, the recitation of facts and developments is totally accurate. As to those matters in which I was not personally involved or those events at which I was not personally present, the recitation of facts and developments in the Memorandum is completely in accord with the information about those facts and developments which I have been given on a day-to-day basis by Mrs. Kurtevitch, Mrs. Pala, Messrs. McGargar, Grey, Navy, Robillard and various other individuals in the office.

It is my opinion that the Memorandum is a full, complete fair and exact presentation of the situation and of the developments from its beginning.
